Under provisions of Genl Orders No. 11 from
Department, Wash. D. C., 11. 8. - I have the honor
to request a "leave of absence" for sixty (60) days
to enable me to visit Newnanville, Georgia,
County, Florida. The distance being not less than
six hundred miles, and as the greater part of
the journey, will have to be performed on horse back,
it will require all of the time specified to enable
me to make the journey, and return allowing two
(2) weeks, to remain at home.

Trusting that my application will meet with
your acceptance. I am Sir with due respect,

Your Obedt Servant

I hereby Certify that there will be
no Commissioned Officers remaining for duty in Company
"H". That the Applicant, Lt. J. H. Hart has never received the
benefit of the Act of Congress granting "Leaves of
Absence". That he has never been absent from his
Command without leave - that no officer of his
Company is at this time ~~there~~ is absent with leave
or otherwise - I therefore respectfully recommend
that ~~this~~ application be granted.

*This company was formerly Captain Murphy's Company
Arkansas Cavalry. It was assigned as Company B on organiza-
tion of this battalion and was transferred about June 4, 1862, to
the 2nd Arkansas Cavalry, becoming Company H of that
regiment.
The 2nd Arkansas Cavalry (also known as the 1st Texas
Cavalry and as Whitfield's Legion Texas Cavalry) was first organ-
ized as the 1st Battalion Texas Cavalry November 22, 1861, with
companies A to E. It was increased to a regiment of three
battalions April 2, 1862, and re-organized May 1, 1862.

Camp Early, Miss Dec 1st 1861

I would most respectfully ask that a leave of absence be granted me for eight days to enable me to visit my home in Wilkes County Georgia. The distance is not less than six hundred miles and it requires all the time specified to enable me to make the journey attending to matters for me to remain at home.

Trusting that my application will meet with approval of the Genl. Commanding.

I am Sir with due respect.

1. The first part of the paper is devoted to a general
 discussion of the problem. It is shown that the
 problem is of great importance in the theory of
 functions. The problem is to find the function
 which is continuous in the interior of the circle
 and which has a given boundary value.

2. The second part of the paper is devoted to a
 detailed discussion of the problem. It is shown
 that the problem is solvable and that the solution
 is unique. The solution is given in the form of an
 integral.

3. The third part of the paper is devoted to a
 discussion of the properties of the solution. It is
 shown that the solution is continuous in the interior
 of the circle and that it has the given boundary
 value.

4. The fourth part of the paper is devoted to a
 discussion of the properties of the solution. It is
 shown that the solution is continuous in the interior
